Вопросы Эффективности Образования и науки государственного управления как необходимое условие устойчивого развития

Sholpan Yessimova
Vice-Rector, Academy of Public Administration under the President of the Republic of Kazakhstan

Yerevan -2014
With bad laws and good civil servants it is still possible to govern.

But with bad civil servants even the best laws can't help

Otto von Bismarck
«С плохими законами и хорошими чиновниками управление еще возможно, но с плохими чиновниками не помогут никакие законы»
канцлер Германии Отто фон Бисмарк
Interaction models between all sectors

Model 1
- Public sector
- Business
- Civil Society

Model 2
- Public sector
- Business
- Civil Society

Model 3
- Business
- Civil Society
- Public sector
The need for administrative reforms

• Financial and economic reasons (external debt, budget deficit, inflation, economic crisis in general) - Brazil, Hungary, Canada, China, Poland, USA, New Zealand, South Korea;

• Inefficiency of public administration recognized by the government (lack of control over activities of government agencies, staff numbers, personnel issues and sub-optimal organizational structure.) - Brazil, China, Poland, South Korea;

• Bottom-up pressure from the society: aware of the ineffectiveness of the state – Great Britain, Germany, Canada, the United States.
The 2020 Leader

The 2020 Trends
- Globalization
- Shifting Demographics
- Technology Disruption
- The Social Leader

We Will Need Leaders With These Capabilities ...
