ROADMAP FOR THE APS-HRMNet

Where do we go from here: the post Addis Ababa 2013 Agenda
• Finalise and approve strategic plan by end of March 2014 and implement
• Continue capacity building for the Network
• Intensify resource mobilisation efforts to fund network activities
• Prepare and implement communication strategy
• Strengthen publicity, advocacy and marketing
• Improve touch, communication and information sharing with members all the time

• Foster strategic alliances, collaboration and networking with established similar networks

• Continue to seek support of Ministers of Public Service, Heads of Public/Civil Service and Secretaries to Cabinet and Permanent Secretaries
• Continue to seek support from UNDESA and other willing stakeholders and partners
• Leverage the use of ICTs in improving operations of the Network
• Promote, encourage and facilitate innovation in human resources management
• Establish a permanent secretariat
• Promote research, consultancy and publications in human resource management
• Intensify drive for new individual and corporate members
• Nurture close links with the AU, AAPAM, CAMPS and other similar organisations
• Support the implementation of the African Charter on Values and Principles of Public Service Administration
• Annual workplans and budgets to detail implementation modalities of the strategic plan
