1. To what extent has progress been made on the vision of the people-centred, inclusive and development-oriented Information Society in the ten years since the WSIS?
2. What are the challenges to the implementation of WSIS outcomes?
3. What should be the priorities in seeking to achieve WSIS outcomes and progress towards the Information Society, taking into account emerging trends?
4. What are general expectations from the WSIS + 10 High Level Meeting of the United Nations General Assembly?
5. What shape should the outcome document take?

While referring to the WSIS vision document WSIS +10 for WSIS beyond 2015. It’s quite confirmed that ICT’s are enablers for development and this is true for especially to developing countries. Developing countries have not yet fully seen the fruits of 2003 WSIS at Geneva, Refer to the points mentioned in WSIS vision document -paragraph 1,5 ,6,7,9,10 and 11. ICT must reach the downtrodden at least developing countries.
