

# Building Partnerships for the

# SUSTAINABLE DEVELOPMENT GOALS

Aishath Saadh  
Republic of Maldives  
February 2017

Human beings necessarily depend on one another, as in You can't manage this all by yourself; no man is an island. This expression is a quotation from John Donne's Devotions (1624): “No man is an Island, entire of it self; every man is a piece of the Continent, a part of the main.”

# Government and state agencies

- Collaboration amongst stakeholders
- Educate the parliamentarians:
  - have sessions about SDGS for parliamentarians
  - budgetary implications, collaboration with MoFT
  - awareness for political parties
- Enlighten the judiciary
- Activate the independent institutions and watch dogs...
- Strengthen the administrative data and information systems
- Data and information sharing

# Private Sector

- Started with the State Own enterprises (SoEs)
- Identify ‘Partners for the Global Goals’
- More than just CSR
  - Incorporating the Global Goals in to the company’s strategies and business plans
  - Awareness sessions to staff
  - Utilizing company provinces to display SDGs related material
  - Utilizing company billboards and airtime for SDGs promotion
  - Data and information sharing
  - Sharing resources and expertise
- Regulatory issues was a concern
- Expand the initiative to the tourism industry

# Civil Society

- Some NGOs already working towards SDGs
- NGO forum
  - Introduce SDGs to the civil society
  - Identify how they can be engaged to reach the targets
  - MoU with NGOs who wants to work towards specific targets with identifies work plan
  - Small or big, near or far, engage as much as possible
  - Encourage civil society to seek resources for their efforts
- Networking and outreach
- Empowering the civil society
  - Provide training and skill development : *Financial management, PR, Strategic planning, Mobilizing volunteers, etc*
  - Opportunities to participate in regional and international forums
  - Facilitate to mobilize resources for their work

# Media

- Meetings with the media
- Partnership with the Public Service Broadcaster (PSM)
  - More than just reports and news
  - Special programs developed for SDGs
  - Using all media : TV, Radio, social Media etc
  - Embed SDGs into program development and enhance the development desk
  - Assistance in developing awareness material
- Workshop for journalists on SDGs and reporting
- Capacity Building
  - Build capacity of journalists to report development issues
  - Enterprising data and information
  - Opportunities for exposure

# Thank you
